MANAV PATEL

Business Analyst | Data Analyst | Expert in SQL, Python, Excel, Power BI

Surat, Gujarat, India

Summary

Passionate about leveraging data to drive actionable insights and facilitate informed decision-making, I specialize in Excel, SQL, Power BI, and data modeling. With hands-on experience in database management and data visualization, I thrive on transforming raw data into meaningful narratives that empower organizations to achieve their objectives.

Experience

Accenture
Data Analytics and Visualization Job Simulation
April 2024 - April 2024 (1 month)
India

I just completed Accenture North America's Data Analytics and Visualization on @[Forage](urn:li:organization:68514998). In the simulation I:

* Completed a simulation focused on advising a hypothetical social media client
as a Data Analyst at Accenture
* Cleaned, modelled and analyzed 7 datasets to uncover insights into content trends to inform strategic decisions
* Prepared a PowerPoint deck and video presentation to communicate key insights
for the client and internal stakeholders

PwC
Power BI Job Simulation
April 2024 - April 2024 (1 month)
India

I completed PwC Switzerland's Power BI on Forage. In the simulation I:
Completed a job simulation where I strengthened my PowerBI skills to better understand clients and their data visualisation needs.

Demonstrated expertise in data visualization through the creation of Power BI dashboards that effectively conveyed KPIs, showcasing the ability to respond to client requests with well-designed solutions.

Strong communication skills reflected in the concise and informative email communication with engagement partners, delivering valuable insights and actionable suggestions based on data analysis.

Leveraged analytical problem-solving skills to examine HR data, particularly focusing on gender-related KPIs, and identified root causes for gender balance issues at the executive management level, highlighting a commitment to data-driven decision-making.

Atul Bakery
Intern Information Technology Department
August 2022 - September 2022 (2 months)
Surat, Gujarat, India

During my internship at Atul Bakery, I excelled in a multifaceted role encompassing Quality Assurance, Statistical Data Analysis, and Big Data Management. I conducted rigorous quality assessments to ensure product excellence, while also employing statistical methods to analyze data trends and optimize processes. Managing large datasets, I employed tools like Python and SQL to extract valuable insights, contributing significantly to operational efficiency and decision-making. This experience fortified my skills in QA, data analysis, and big data management, paving the way for future contributions in similar roles.

Samarth Diamond
Intern Data Analyst
December 2021 - January 2022 (2 months)
Mehsana, Gujarat, India

As an intern Data Analyst at Samarth Diamonds, I honed my analytical skills by extracting insights from large datasets, contributing to strategic decision-making processes. Collaborating with teams, I utilized Python and SQL to clean, analyze, and visualize data, facilitating actionable recommendations. This experience enhanced my proficiency in data manipulation and interpretation, setting a strong foundation for future endeavors in the field of data analysis.

Education

Ganpat University

Bachelor of Technology - BTech, Computer Science · (June 2020)

TRIS
· (June 2012 - May 2020)
